EXPERIENCE

SUCCESSO DRYWALL

Salesperson

São Paulo, SP
Apr 2019 - Nov 2020

- Attend customers and identify their need
- Calculate the required materials for each project
- Build and register the sale order in a databased program
- Oversee the sale until the products were delivered

PORTO SEGURO INSURANCE

Call Center Agent

São Paulo, SP
Sep 2015 - Feb 2017

- Receive 80-100 calls per day from customers in need of assistance for their cars
- Register each customer's request in a databased program
- Analyze their insurance policy to determine whether it covered the requested service
- Utilize an integrated map program to pinpoint the customer's location
- Gather information about the surrounding area, including roadway details and reference points to help service providers locate and assist customers as quickly as possible
